Thank you

- We must make sure YOU are safe.
- We must complete registers as quick as we can, so we can help anyone in danger.
- We must be able to give instructions quickly and effectively (hence why we need silence).
- We need YOU to be sensible. It allows us to make sure everyone is safe.

Thank you for your help and cooperation. By working together and us all doing this, in the event of the worst happening we will all know exactly what to do to ensure we can keep EVERYONE safe.
