Vision and Values of Archbishop Holgate's School

As a Church of England school we strive to ensure that all of our young people are cared for, given every opportunity to develop through academic study, to grow personally and spiritually and to live into being those Values we hold dear in our community and in wider society. Our role as a Church school is to help nurture both academic excellence and to help shape young people who can make a significant contribution to the community they serve. Key to this is a clear recognition that all students have individual gifts and talents and with support every young person can flourish.

Archbishop Holgate's School is distinctive and effective as a Church of England school because our Christian vision and values are very explicit and drive all areas of school life. Our Vision is one which combines Values, Care and Achievement.

“A threefold cord is not easily broken.” Ecclesiastes 4:12

Through this vision we seek to be a Church of England School which is deeply Christian. As such, the three themes of our vision, Values, Care and Achievement are deliberately expressed in that order, our distinct Christian Values help ensure that every child is cared for as an individual and this in turn will help them to succeed academically.

Our school values of **Justice**, **Compassion**, **Forgiveness** and **Trust** have been embedded across our school community and permeate all areas of school life.

Social media (e.g. Facebook, Twitter, Whats App, Instagram, LinkedIn) is a broad term for any kind of online platform which enables people to directly interact with each other. However, some games, for example Minecraft or World of Warcraft and video sharing platforms such as You Tube have social media elements to them.

Archbishop Holgate's School recognises the numerous benefits and opportunities which a social media presence offers. Staff, parents/carers and pupils/students are actively encouraged to find creative ways to use social media. However, there are some risks associated with social media use, especially around the issues of safeguarding, bullying and personal reputation. This policy aims to encourage the safe use of social media by *the school*, its staff, parents, carers and children.
