

School Newsletter 558

Values – Care – Achievement

Thursday 19 June 2025

Headteacher's Introduction

Welcome to our newsletter for the eighth week of the Summer Term.

As I write this week's newsletter, it certainly feels like summer has arrived! The warmer weather brings with it a wonderful energy around school, and I'm delighted to share some exciting developments that truly embody our school's commitment to living out

John 10:10 in everything we do.

Our school council has recently had the tremendous privilege of attending a particularly meaningful session led by Olivia Seymour from the Diocese of York. This workshop was beautifully centred around our school vision and explored the profound ways we 'live life to its fullest' in our daily school life. What struck me most was watching our students engage so thoughtfully with this opportunity to explore what collective worship means to them personally and as a school community.

I'm particularly excited to share that this workshop has inspired our school council to take on an ambitious and meaningful project. They are now working to develop their own form time act of collective worship, which will be delivered by form tutors across the school in the new academic year. This initiative demonstrates exactly the kind of student leadership and spiritual growth we hope to nurture at Archbishop Holgate's, and I cannot wait to see how their creativity and faith will inspire their fellow students.

I'm absolutely thrilled to announce that we are launching our new Celebration Acts of Collective Worship, beginning next week with Years 7 and 9. These events represent something I've been particularly passionate about – creating opportunities for our school community to come together in recognition of our students' remarkable achievements. It will be wonderful to open our school doors to parents and families, where we can jointly recognise and reward students for their outstanding accomplishments throughout this academic year. These celebrations are more than just award ceremonies; they're moments where we can truly appreciate the hard work and dedication that our students have demonstrated.

I'm looking forward to welcoming parents into our school community for these special occasions, where together we can celebrate the incredible young people who make Archbishop Holgate's such a special place to learn and grow.

Best wishes for the week ahead.

Upcoming Events

Mon 23 Jun	Y7 Celebration Event
Mon 23 Jun	Germany Trip - Parent Information Evening
Tue 24 Jun	Y9 Celebration Event
Tue 24 Jun	Spain Trip - Parent Information Evening
Wed 25 Jun	Paris Trip - Parent Information Evening
Fri 27 Jun	Y13 Prom
Mon 30 Jun	Y8 Celebration Event
Mon 30 Jun	Y6 Transition Evening
Tue 1 Jul	School Art Exhibition
Wed 2 Jul	Y6 Transition Day
Fri 4 Jul	Y10 Celebration Event

Food for Thought

This coming week is Refugee Week in the UK and our form tutor collective worship is inspired by this theme. We will consider a number of factors surrounding this issue and look at some of the realities of being a refugee. Our daily quotes are all on the theme of our response to refugees.

"You should act toward the stranger who lives among you as you would toward one born among you. Love him as you love yourself."

Leviticus 19:34, The Bible

To receive the daily Thought for the Day straight to your phone or other electronic device sign up to @AHSChaplaincy on Twitter.

Unity Fund Hub

If families require support from the Unity Fund please email either gstainsby@ahs.pmat.academy or krobinson@ahs.pmat.academy for more information.

AHS Feedback

We welcome all feedback and thank all parents for their valuable contributions. If you have a query or simply an observation about the school please complete the form online.

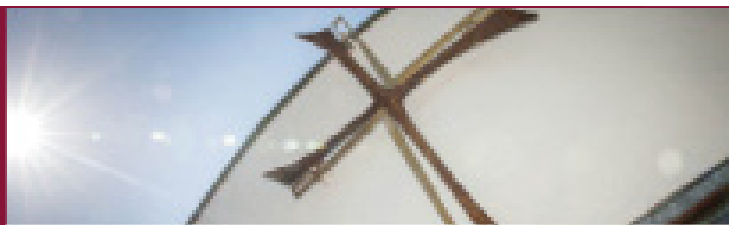

Social Media

Please follow us on Twitter @AHSYork or Facebook to keep up to date with the latest news and events!

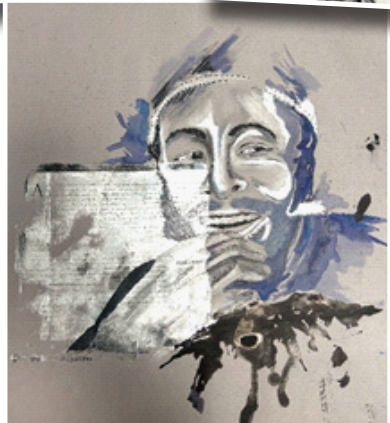

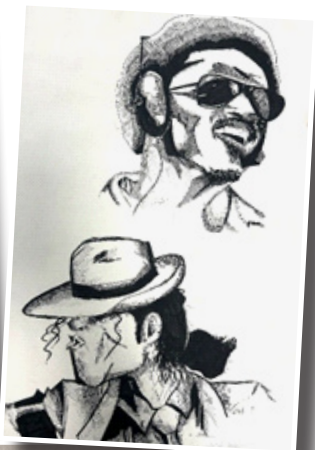

This Week's School News

Art - Work of the Week

Year 12 student, Henry Wardman, has produced some amazing portraits as part of his personal project exploring music icons. He has taken inspiration from other artists who interestingly capture movement and used this to develop his own personal style. We are excited to see how this continues to develop!

Lego Therapy

We are now delivering Lego therapy for students in the SEMH room. If anyone has any full sets of Lego that are no longer needed, please bring into the school Reception. All donations will be much appreciated, thank you.

Activities, Clubs, Groups and Things to Do in York

Activities, clubs, groups and things to do across the full age range from 0-25 years including those aimed specifically for children with special educational needs and disabilities.

Contact the Family Information Service if you need help finding something 01904 554444 or email FIS@york.gov.uk

This Week's Sixth Form News

Message from Mrs De Lashley, Assistant Head: Director of Sixth Form

Summer A Level Mock Exams

Students commence these exams on Monday 30 June. They are to report to Black Square 10 minutes before their exam start time to determine their position in the seating plan.

	08:55	11:15
Monday 30th June	History 2hr	Maths 2hr Core Maths 1hr 30min
Tuesday 1st July	RE 2hr Media 2hr	Sociology 2hr Further Maths 1hr 40min Geography 1hr 30min
Wednesday 2nd July	English Lit 2hr French 1hr 45min Computing 1hr 30min	Psychology 2hr 30min Chemistry CLASH (1)
Thursday 3rd July	German 1hr 45min Physics 2hr	English Lang 2hr 30min
Friday 4th July	Chemistry 2hr Politics 2hr	Biology 2hr Music 2hr

Book Recommendation of the Week

A reminder that each week we share a recommendation from the post-16 reading list that we hope our students will engage with. This reading list is one of many that can be found online, but one that we think is broad, challenging and accessible. A copy of all of the listed books can be found in the Resource Centre.

Running Upon The Wires by Kae Tempest

This verse collection by poet, songwriter and singer Kae Tempest dissects the theme of love, from blossoming romance, familiarity, division, and break-up to new flames. The direct imagery and unflinching style will linger in the memory. Ideal for reading, performing and using as impetus, Running Upon The Wires will appeal to teens interested in drama and creative writing.

Year 12 Key Dates

Year 12 HE Visit (Hull University) - Wednesday 25 June

Year 12 Summer Assessments - wc 30 June

Year 12 Enrichment Week - wc 7 July

UCAS Evening for Parents - Tuesday 8 July

Year 12 Work Experience - wc 14 July

Physical Education Department

"Equipping students with the knowledge, skills and motivation to live active, healthy lives."

Sports Day and Enrichment Week

Please note that there are two days in the final two weeks of term where students will come to school in their PE kit. For both these days, students will be outside for the majority of the day. Please make sure that your child is prepared for this by bringing a hat, sun cream, water bottle and a jumper.

Sports Day Friday 11 July

Students come to school in their school PE kit. Students are allowed to wear a T-shirt (not a vest) in the colour of their house, if they prefer, but this is completely optional and all other clothes should be school PE kit.

Enrichment Week (wc 14 July)

Students come to school in their school PE kit.

Monday - Year 9
Tuesday - Year 10
Wednesday - Year 7
Thursday - Year 8

Inter House Competitions

Almost 50 AHS competitors were involved at the athletics semi-finals this week, against some really strong opposition from other York schools. The standard of performance was extremely high and I was really impressed with all of the students' efforts and determination. The weather made for a perfect day! Those who qualified are through to the final, which takes place next Tuesday. Huge well done to the athletes and thanks to the PE staff who helped to make this a successful event.

Further details to follow on Class Charts for athletes.

Tweet us @ [@AHSPHysEd](https://twitter.com/AHSPHysEd)

Summer Extra-Curricular Programme

Fantastic to see so many students attending summer extra-curricular opportunities in the sunshine last half term - Rounders, athletics and cricket are particularly popular. Take a look at the programme and see what you could come and have a go at. Have you tried Pickleball yet!?

Summer Term PE Kit

Please note the changes to PE kit for the summer term. All students will need to have their school shorts, T-shirt, white socks and trainers as all lessons are outside during the summer term. Please could you ensure that students also bring their PE hoodie or reversible due to the variable summer weather.

Jewellery in PE Lessons

A reminder that students should not wear any jewellery for PE. In line with AfPE guidance, we remind students (via lessons and the newsletter) that they will be asked to remove ALL jewellery for PE lessons. This is a health and safety precaution and must be adhered to for the safety of your child and their classmates. If your child has just had their piercing done, they need to bring a note to state when they had them done and when they can be removed (usually 6 weeks). Until then you should provide tape/plasters to fully cover the piercing in the short term, however, they may not be able to take part in certain activities until the piercing is fully removed due to health and safety. Please remember that, in line with the school policy, only a single pair of plain studs and a nose stud are allowed in school and all should be removed for PE. Any cartilage piercings have to be removed for PE, so please ensure that your child is able to remove it by themselves.

Happy Healthy Holidays

WHAT: Holiday football fun course
WHEN: Tuesday 22nd - Friday 25th July
WHERE: Huntington Secondary School, YO32 9WT
TIME: 10-3pm

What Parents & Educators Need to Know about YOUTUBE KIDS

WHAT ARE THE RISKS?

As its name suggests, YouTube Kids is a child-friendly version of Google's online video-sharing platform. Its colourful user interface is designed with young people in mind, and it offers a curated, family-friendly experience with features like age-based content settings and parental controls.

INAPPROPRIATE CONTENT BYPASSING FILTERS

YouTube Kids is less likely to show inappropriate material than YouTube, but there have been reports of the app showing age-inappropriate content to young viewers. One investigation found that YouTube Kids had shown videos that promote skin bleaching, weight loss, drug culture and firearms to children as young as two, as inappropriate content had bypassed the platform's algorithms and human moderators.

BE WARY OF ADVERTISING

Like Google's regular YouTube app, YouTube Kids features pervasive advertising before a video plays. While these adverts are designed to be family friendly and are subject to a strict review process, it's worth noting that YouTube Kids collects information around children's viewing to inform targeted content and advertisements.

DESIGNED TO BE ADDICTIVE

YouTube Kids is designed to be addictive. The platform's design features, such as the constant stream of new videos and the reward system of points or virtual stickers, can be very engaging and make it difficult for children to switch off. Research has shown that spending too much time using digital services such as YouTube can lead to screen addiction, affecting children's daily routines, studies, and even their social lives.

SETTINGS CAN BE CIRCUMVENTED

YouTube Kids offers built-in parental controls, enabling you to set screen time limits and curate the content children are able to view; however, children are often more tech-savvy than we think. They can easily bypass or tweak these settings if they have access to the associated Google account password, thereby exposing themselves to age-inappropriate and potentially dangerous content.

AI-GENERATED MISINFORMATION

There is also a risk of children accessing videos that contain disinformation and misinformation. A BBC investigation found that some YouTube channels are using artificial intelligence (AI) technology to create misleading 'scientific' videos that are recommended to children as educational content. These videos included conspiracy theories and ideas that lack scientific backing.

DATA COLLECTION RISK

While there are limits on the data that YouTube can collect on children under 13, children can still inadvertently give away sensitive information when using YouTube Kids. The platform collects data on children's viewing habits, content searches and location, which YouTube and third-party advertisers can use.

Advice for Parents & Educators

PARENTAL CONTROLS

YouTube Kids offers several settings that allow you to manage what content children can view. For example, you can choose what level of content you want them to access, such as 'Preschool' or 'Younger'. You can also turn off the search function, so that only those videos approved by the YouTube Kids team themselves will appear on a child's recommendations list.

SET TIME LIMITS

The built-in parental controls let you keep a tab on how long children spend watching videos. You can set a timer that limits screen time and disables the YouTube Kids app once a specified length of time has been reached. It's also worth speaking to children about the dangers of spending too much time on YouTube, to ensure they remain focused on other, more important activities.

CHECK WATCH HISTORY

YouTube Kids has made it easy for you to keep an eye on what the children in your care have been watching on the app. By clicking on the 'Recommended' icon at the top right of the home screen, you can see which videos they've been viewing, and how much of each. If a child watches YouTube Kids while signed into a Google account, you can check their history through Google's 'My Activity' page.

WATCH TOGETHER

It's important that you try to make YouTube Kids a fun and positive experience for children. One way to do this is by introducing watching sessions, where you all gather around and share the most enjoyable videos that you have recently watched. This can be a great way of giving you both new things to talk about and of keeping an eye on what they're watching.
