Values – Care – Achievement

Friday 30 January 2026

Headteacher's Introduction

Dear Parents and Carers,

It has been another busy week at Archbishop Holgate's as we support our students through critical academic periods. Year 13 and Year 11 students are diligently preparing for their final mock exams before the spring term's official exams begin. We recognise the hard work they are putting into reviewing and revising their learning, both within our school walls and at home.

I am delighted to share some highlights from our recent school activities. This week, our second Senior Leader Parental Drop In Clinic was a tremendous success, with almost 50 parents receiving appointments. This initiative underscores our commitment to home-school engagement and communication. We are thrilled that this new approach is proving so popular, and I encourage you to check the dates for upcoming clinics in this newsletter to mark in your diary.

On Wednesday, we were fortunate to welcome Paul from 'Paul Talks', who delivered a powerful presentation to our students about 'One Punch'. Speaking from personal experience as a victim, Paul shared an honest account of the struggles both he and his perpetrator have faced following his assault. This was a critical message for our students, aimed at de-glamorising violence that can sometimes be portrayed positively on social media platforms.

Our Year 9 Pathway Evening was another highlight, with an impressive 88% of families attending. The main hall was bustling with energy and subject stalls were also incredibly busy, with staff enthusiastically discussing the Key Stage 4 curriculum journey. This event is a crucial part of helping students and parents navigate the important milestone of selecting KS4 options. The overwhelming attendance suggests these discussions will continue productively at home.

We are proud of our continued efforts to support, educate, and inspire our students through these meaningful experiences and opportunities.

Best wishes for the week ahead

Lucie Pond, Headteacher

Fantastic New Display

The RE Ambassadors have been hard at work creating a new RE display showing the three main disciplinary lenses that are used to approach different topics. Well done to all students involved.

Food for Thought

This week our form tutor collective worship is entitled 'The Power of Appreciation' and has been written by three of our own students; Isabella Peal, Elsa Ferrari and Wallis Wrathmell. It looks at appreciation in general and the story of Jesus healing the ten lepers. We think about how we might cultivate an attitude of appreciation. Our daily quotes look at how we might be appreciative. "When we give cheerfully and accept gratefully, everyone is blessed". Maya Angelou

Celebrating Student Achievement

Congratulations to Phoebe Ellis, Year 7, who is playing the part of 'Duffy', one of the orphans in 'Annie' at York Theatre Royal with York Light Opera Company. She has been busy rehearsing since starting at AHS in September and is looking forward to performing on stage.

AHS Remembers: Holocaust Memorial Day

Over the last fortnight, Miss Brown and Mrs Paver have been delivering reflection on the topic of Holocaust Memorial Day. This takes place every 27th January, as this is the anniversary of the liberation of Auschwitz in 1945.

This year, the theme to discuss was 'Bridging Generations', as it is a worry that the further removed we are from the Holocaust, the more likely we are to forget the voices and stories of those who truly suffered and experienced these horrors. We reflected on the story of Eva Clarke, a ferocious advocate of Holocaust education. After being born on the gates of Mauthausen Camp in Austria and only weighing a tiny 1.3kg, Eva survived these early days of horror and has gone on to educate children on the stories of her parents and the need to continue to learn.

We continue to ask that all students engage with their Holocaust education, and to learn the name of one new victim every year. This keeps their memory alive and shows respect and honour, which is so central to us at AHS.

12/AL (an Applied Law Class) reflected that - "I feel educated, enriched and was shocked. Her story was inspiring - and a tale of adversity which resonated heavily within our current climate."

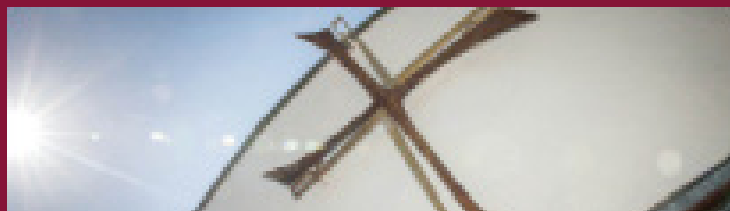

It's Italian week in Food Tech!

Last week, Year 9 Nurture and Year 10 Hospitality and Catering groups were busy in the kitchen making calzone, with some fantastic results. Students showed great teamwork and developing practical skills, producing well-filled, golden calzones they could be proud of. This week, they're building on that success by moving on to homemade pasta and fresh tomato sauce, continuing to develop confidence, creativity and core cooking techniques.

This Week's Sixth Form News

Message from Mrs De Lashley, Assistant Head: Director of Sixth Form

Year 13 Enrichment Day: Monday 9 March

We are creeping towards the end of our time together and taking another opportunity to prepare Year 13 for the pending independence. Monday 9 March will be a full day off timetable focused on living independently, remaining safe and informed. See topics below. We would appreciate your support with attendance, this was a highly popular and well received day last year.

- Staying safe at university: Living with strangers and being vulnerable away from home
- Staying safe as an inexperienced driver or a passenger of an inexperienced driver
- Financial awareness
- Domestic and sexual violence

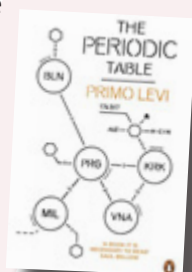

Book Recommendation

A reminder that each week we share a recommendation from the post-16 reading list that we hope our students will engage with. This reading list is one of many that can be found online but one that we think is broad, challenging and accessible. A copy of all of the listed books can be found in the Resource Centre.

The Periodic Table by Primo Levi

Primo Levi brings a scientist's precise thinking to this collection of 21 short stories about life and the human condition – drawn from his experiences in childhood, in Mussolini's fascist Italy, and as a survivor of Auschwitz. Each story is named after a chemical element, comparing its properties to situations, characters and places that he experienced. Unconventional, yet revealing, this is an unforgettable read.

It's been a great week this week with lots going on. Not only have we celebrated the Headteacher's Award with both our Year 9 and 10 students, but on Wednesday, we welcomed Paul Spence into school, as well as held our Year 9 Options Evening.

One Punch Ruins Lives

We were privileged to have Paul Spence (Paul Talks) with us in school on Wednesday. Paul delivered sessions on 'One Punch Ruins Lives'. Paul, a victim of one punch, delivered 8 sessions to nearly 2000 students. His powerful message about the devastating consequences of violence really resonated with our students. Paul's talk encourages young people to STOP, THINK and WALK AWAY, reminding them that one moment of madness can change lives forever. To learn more about Paul's inspiring work and his charity P.A.U.L For Brain Recovery, visit www.paultalks.co.uk

Police in School

We're thrilled to announce that we are working closely with our local policing team to build up the relationship between our public services and students. The police will be joining us in the Merit Mart on the days listed below, 1.10-2.10pm. Students are encouraged to come and engage in conversations with the local team and ask them about the role they play within the local community.

AHS Personal Development Hub and Merit Mart

At the Personal Development Hub, students are able to collect information about everyday life, extracurricular activities, trips and visits and careers. There will also be a number of opportunities for students to take part in 'Pupil Voice' to give feedback on a number of 'hot topics' based on the school community.

The Merit Mart is our students' happy place, where they can enquire about their merits and spend them on various items in the shop. Items include:

Stationary Key Rings Board Games

Inter House Event

Our next Inter House sporting events are taking place next week. We have our annual swimming galas, which are very exciting and noisy events. Students will choose their preferred races this week in their PE lessons and then our fantastic Sport House Captains will finalise the teams in our house meetings on Friday ahead of the galas. Good luck to everyone!

Y8 Girls - Mon 2 Feb, P4

Basketball

The Y8 & 9 basketball team played against a really strong All Saints team last week. They didn't come away with a win, but showed real determination and resilience throughout the game. Great to have Alex Dunlop Gibson and Alvin Chan helping with the refereeing and coaching.

Climbing

Oscar East, Y10, trains at City Bloc in Leeds, with the Precision Climbing team. Sam Blackwell is his coach and also a GB coach. The team is preparing for the British Lead Climbing competition at the end of February in Manchester - this is to compete for GB Team selection. Oscar is going with the squad training to Innsbruck, in Austria, which is a world class training facility, to prepare for the competition. They will have 4 days of intensive training. This is an incredible opportunity for Oscar. Climbing is enriching his life and bringing him many more skills and experiences than just the physical activity. What a fantastic opportunity Oscar. We're looking forward to hearing all about it.

Rugby (looking for players)

There are currently places available at New Earswick Rugby club for U15s and U16s. If there is anybody that hasn't been able to find a team or wants to try it out, let the PE team know. It can be hard sometimes to find clubs that aren't full and extra-curricular sports, being a member of a club is great for physical and mental health. Plus, it's the feeling of belonging to something bigger! Let the PE staff know if you are interested.

Boot Donation Scheme

We've re-joined the mission to help rehome at least one million pairs of football boots across the UK and stop them ending up in landfill. If you've got football boots at home that are no longer being used and taking up room - then help us to get them back out on the pitch and save them from ending up in landfill! The donation box is in reception, so give them a clean and pop them in the box. Thank you.

PE KIT Reminders

Please can we remind students that everyone needs to have a school hoodie or reversible for their outdoor PE lessons. As the weather is cold, students need to be dressed appropriately for their lessons as we will be outside in all weather. Students will also need to ensure that they have shin pads, navy blue football socks and boots for their football and rugby lessons due to health and safety. All PE kit is available from Keal Teamwear on Walmgate or through the second-hand school UNIFORMD shop. Please see the school website for more details.
