Headteacher's Introduction

Dear Parents and Carers,

Welcome back, everyone. The crocuses are pushing through, telling us that Spring is finally here — even if the weather hasn't quite caught up with the season yet. There's something special about those early signs of Spring, and it feels fitting as we settle back into our routines after the half-term break.

This week has been particularly lovely, with our students experiencing something a little different. We hosted a Chinese-themed dinner to mark the Chinese New Year, and the feedback has been overwhelmingly positive. It was wonderful to see our community come together to celebrate and reflect on the traditions of different cultures.

There's also a significant milestone happening right now. Our Year 13 students have launched into their final mock exam series, and what strikes me most is the maturity and resilience they're bringing to this challenge. These mocks are a crucial stepping stone, giving them the opportunity to consolidate their learning and make final preparations for the real thing. The dedication they're showing is genuinely impressive, and I'd like to extend our very best wishes to every single one of them as they work through this demanding period.

As a school community, we're committed to supporting our students through these important moments — whether that's through academic preparation, pastoral care, or simply creating spaces where they feel valued and heard. The way our Year 13 cohort is approaching their final examinations is a testament to the culture we're building here at Archbishop Holgate's, one where challenge is met with determination and where we support each other.

Best wishes for the week ahead.

Lucie Pond, Headteacher

Dementia Forward NY Bake Sale

Students in Horizons baked and decorated over 200 cakes and biscuits which they sold at a bake sale to raise funds for their chosen charity - Dementia Forward North Yorkshire. They worked incredibly hard over the half term, honing their baking and presentation skills and the sale was incredibly successful raising £147 in total!

Food for Thought

This week our form tutor collective worship is entitled 'What is Lent?' It looks at the Christian season of Lent which has just begun; its origin and its meaning today. This includes a video reflecting on Jesus' temptation in the wilderness. Our daily quotes look at the theme of Self-Control.

"Self-control is the exercise of inner strength under the direction of sound judgement that enables us to do, think, and say the things that are pleasing to God."

Jerry Bridges, American Christian author and speaker

REMINDER Year 13 Enrichment Day - Monday 9 March

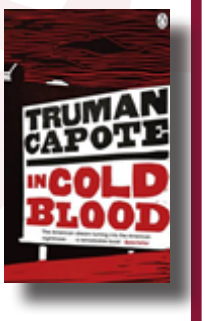
We are creeping towards the end of our time together and taking another opportunity to prepare Year 13 for the pending independence. Monday 9 March will be a full day off timetable focused on living independently and remaining safe and informed. This will cover the below. We would appreciate your support with attendance, this was a highly popular and well received day last year.

- Staying safe at uni: living with strangers and being vulnerable away from home
- Staying safe as an inexperienced driver or a passenger of an inexperienced driver
- Financial awareness
- Domestic and sexual violence
- First aid

Book Recommendation

A reminder that each week we share a recommendation from the post-16 reading list that we hope our students will engage with. This reading list is one of many that can be found online but one that we think is broad, challenging and accessible. A copy of all of the listed books can be found in the Resource Centre.

In Cold Blood by Truman Capote



This classic true-crime narrative is both chilling in the terse prose presentation and the nature of the subject matter. The crime, the scene, the investigation and the emotional aftermath are clinically examined in forensic detail. It's not a book recommended for everyone, but it will be a compelling read for post-A Level students who are fans of true crime podcasts, journalism, criminology and human psychology.
