Values – Care – Achievement

Friday 20 March 2026

Headteacher's Introduction

Dear Parents and Carers,

What a week it has been at Archbishop Holgate's. This week has seen a hive of political and legal activity. We held our second School Parliament meeting, and I am looking forward to the opportunity to meet with our student MPs to hear their ideas about how we can improve our school even further. It is brilliant

to see our students so engaged in these conversations and taking an active role in shaping our school community. Alongside this, we hosted our Law Day, which saw Year 9 and Year 12 students involved in a Cyber Crime simulation. The standard of engagement and understanding demonstrated by our students was truly exceptional – so much so that the facilitator shared with us that this was the best group he had ever worked with. That speaks volumes about the calibre of our young people.

I was also extremely proud to share with families the outcomes of our recent SIAMS Report. This inspector recognised something that is absolutely fundamental to who we are as a school. At the very heart of all we do sits our vision, inspired by John 10:10 – 'living life to the full'. This is not simply a statement on our wall; it is the foundation of our community and guides us in nurturing every individual who is part of our school family.

What particularly resonated with me was how the report recognised the ways in which our students' lives are enriched through their understanding and living out of our Christian values. Justice, compassion, forgiveness, and trust are not just logos in our classrooms and corridors – they are lived and practised every single day. Our students embody these values in their interactions with one another and in the choices they make. That is something we should all feel genuinely proud of.

As we enter the final week of term, we look forward to recognising and celebrating student success from the spring term in our Reward ACW.

Best Wishes for the week ahead.

Lucie Pond
Headteacher

Food for Thought

This week our form tutor collective worship is entitled "Did you have enough sleep last night?" It looks at the importance of sleep in both our everyday lives and for long-term good health. Our daily quotes are all on the theme of Rest.

"The most valuable thing we can do for the psyche, occasionally, is to let it rest, wander, live in the changing light of room, not try to be or do anything whatever."

May Sarton - 20C American poet and novelist

NHS Careers

It was a pleasure to welcome Chloe and Jason from Leeds University to the Science Department on Thursday. They delivered an engaging, informative and interactive workshop covering careers in the NHS to a group of Year 10 boys. Next Wednesday, we travel to the University to delve further!!

PLEASE SHARE: If you would like to share students' achievements and events in the community, please email jssissons@ahs.pmat.academy. It's always nice to celebrate our school community.

AHS School Parliament

We were really excited to have Parliament convene for their second session of this term on Thursday morning. MPs had brought with them topics to discuss from their form groups and issues from the playground that were debated amongst the year groups. These included topics such as toilets, sports equipment and uniform. The AHS Parliament also elected its Leader and Deputy Leader with Sam McBride and Jacob Fletcher filling these positions respectively. We look forward to meeting again next half term and students are encouraged to speak to Mr Wells or Miss Gavin if they want to find out more about having their voice heard by Parliament members.

Book Recommendation

A reminder that each week we share a recommendation from the post-16 reading list that we hope our students will engage with. This reading list is one of many that can be found online but one that we think is broad, challenging and accessible. A copy of all of the listed books can be found in the Resource Centre.

Where the Crawdads Sing by Delia Owens

With rich descriptions of rural North Carolina life in the 1960s, and vividly drawn characters, the reader is thrust into Kya Clark's world. Living an abandoned and off-grid life of solitude and nature, she is immediately branded an outcast and viewed with deep suspicion when a popular ex-high-school star is found dead. A highly original and readable novel.

Could you be a Parent Advocate?

Help Us To Support Parents When They Need It Most

Could you empower other parents to speak up and be heard when they are at their most vulnerable?

Do you have personal experience of Children's Social Care Services, either as a parent or a supportive family member?

Could you draw on your own experience to help others to navigate the Child Protection Process?

The City of York Council Volunteer Service is launching a new volunteer role for individuals with personal experience of Children's Social Care Services. Parent Advocates will provide practical and emotional support to parents navigating the child protection process to help them feel empowered and heard.

We need volunteers who can bring first-hand experience as someone who has engaged with Children's Services. They will need to be non-judgemental and empathetic with strong listening and communication skills.

Full training will be provided alongside regular support and supervision from an assigned Volunteer Officer. All costs will be reimbursed and volunteers will be part of a supportive community of fellow Parent Advocates. Volunteering will be flexible to ensure it fits around parents' busy lives. We will ask for an initial commitment of approx. 3-6 hours per month.
