Values – Care – Achievement

Friday 24 April 2026

Headteacher's Introduction

Dear Parents and Carers,

Another busy week at Archbishop Holgate's, and one filled with plenty to celebrate. It's at times like these that I'm reminded of just how much is happening across our school community, and how proud we should all feel of our students and staff.

I'm delighted to share some impressive news about two of our students. Destiny Husar and Milo Abberton competed in the York Young Citizens' Public Speaking Competition on Tuesday evening against seven other York schools, and I'm thrilled to tell you that they came first. Their success is a real testament to their hard work, confidence, and dedication. What makes this achievement even more special is that their success was so noteworthy that they've been invited to speak about it on BBC Radio York. We look forward to celebrating their accomplishment over the coming weeks.

It was wonderful to welcome so many Year 10 parents to our first Study Skills evening on Tuesday. The turnout was excellent, and the feedback we've received has been overwhelmingly positive. These sessions are so valuable in supporting our students as they navigate their GCSEs, and it's clear that parents are equally invested in helping them succeed. Thank you to everyone who attended and to the staff who delivered such an engaging and informative evening.

I'd also like to take a moment to recognise our students who are currently sitting their MFL speaking exams. Modern Foreign Languages is such an important part of our curriculum, and these speaking assessments give our students the opportunity to demonstrate their language skills in a practical and meaningful way. To those who have already completed their exams, well done on your efforts. To those who still have exams to sit, we wish you the very best of luck. You should feel confident in the preparation you've done, and we're here to support you every step of the way.

These achievements and milestones are a reflection of the commitment and determination of our entire school community. Whether it's students excelling in competitions, parents engaging with their child's learning, or staff working tirelessly to support our young people, it all makes a difference. Thank you for everything you do to make Archbishop Holgate's such a vibrant and successful place to learn and work.

With best wishes for the week ahead,
Lucie Pond
Headteacher

Closure to Black Bull Gate on a Morning

During the final two weeks of this half term (wc 10 and 17 May) the Black Bull Gate entrance to the school site will be closed on a morning whilst we complete site works. This gate will, however, be open on an evening for students to leave the site. On a morning, all students will be expected to arrive via the main school drive - students will be given further details during tutor time in the coming weeks.

Food for Thought

This week our form tutor collective worship is inspired by St George's Day, Thursday 23 April. It uses this as a springboard to focus on the theme of "What it means to be British", utilising a great video featuring a multitude of teenage voices. Our daily quotes are all on the theme of Community.

"A branch cannot bear fruit by itself; it can do so only if it remains in the vine."

This Week's School News

Art - Work of the Week

Year 9 student, Britney Tam, has drawn this amazing, detailed cityscape of Hong Kong. We can tell Britney has spent a lot of time on this piece, a huge well done!

Year 10 Hospitality & Catering Trip to Sheffield Plate

Our Year 10 Hospitality and Catering students enjoyed a fantastic and memorable trip to Sheffield Plate. The visit provided a valuable opportunity for students to experience a vibrant food hall environment, explore a wide variety of cuisines, and see first-hand how professional kitchens and food vendors operate.

Throughout the day, students demonstrated great enthusiasm and curiosity, engaging with the different food outlets and asking thoughtful questions about ingredients, preparation methods, and the running of a successful food business. It was particularly encouraging to see them making links between their classroom learning and real-world hospitality practices.

Staff at Sheffield Plate commented on how polite, respectful, and well-mannered our students were, which made us incredibly proud. Their exemplary behaviour reflected positively on the school and ensured the trip was enjoyable for everyone involved.

MFL Stars of the Week

Students were nominated by Language staff to receive an Effort merit, a postcard home and appear on the 'Stars Wall' for all their hard work:

KS3 French - Igor Czechowski, 8MSt
KS3 German - Milo Wright, 7By
KS3 Spanish - Daniel Dring, 7Nth
KS4 French - Mohamed Araba, 10Be
KS4 German - Niles Ghimire, 10CDe
KS4 Spanish - Aidan Marunda, 11RGi

School Nurse - Health Heads-Up

Mobile phones and Mental Health

Google Family Link is a family parental controls service by Google that allows parents to adjust parameters for their children's devices. The application allows parents to restrict content, approve or disapprove apps, set screen times, and more. As a parent, you can help change or reset your child's password if they forget it, edit their personal information or even delete their account if you feel necessary. It also gives parents the option to 'Lock' their child's smartphone, which completely shuts the phone down. Add to that it is completely free with no hidden costs or subscriptions!

Instagram to start parent alerts for teen suicide, self-harm searches as Meta trials continue

Instagram has said that it will alert parents when teens repeatedly search for suicide and self-harm terms as parent company Meta comes under scrutiny across multiple trials. Parents will receive the alerts if their teenagers are repeatedly searching during a "short period of time" for "phrases promoting suicide or self-harm, phrases that suggest a teen wants to harm themselves, and terms like 'suicide' or 'self-harm,'" the company said in a blog post.

The company called it "the right starting point" as it tries to find the right threshold for what constitutes sending an alert. Meta said parents may receive alerts that might not indicate a real cause for concern, but it would continue to listen to feedback on the feature.

The alerts will be delivered to parents via email, text, WhatsApp or within Instagram.

The pros and cons of social media

Building connections, revolutionizing news and expanding horizons vs. concerns around mental health, fake news and privacy.

Pro: maintain connections

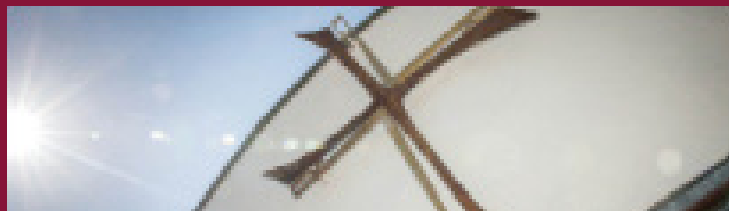

One of the biggest positives of social media is the way it brings people together. These sites play an important role in the establishment of friendships and the everyday back and forth of peer relationships. The term "social media" provides a clue to the initial purpose of the platform: building social interactions.

Cons: anxiety and depression

The impact on mental health, especially among children and adolescents, has long dominated debate around the use of social media. Numerous studies have found links between heavy social media use at a young age and negative self-esteem, body dysmorphia and higher psychological distress. This is especially true among girls, with the UK government moving to introduce the Online Safety Act in 2022 to safeguard children from the effects of social media-triggered depression.

This Week's Sixth Form News

Message from Mrs De Lashley, Assistant Head: Director of Sixth Form

Year 13 Leaver's Celebration

Please be reminded that we would love you to join us from 6pm on Thursday 7th May in the Main School Hall for refreshments, worship and memories. It is always a beautiful event that we cherish together as a school community.

School Start Time

Please be reminded that students must be in their form rooms by 8.45am each morning.

Book Recommendation

A reminder that each week we share a recommendation from the post-16 reading list that we hope our students will engage with. This reading list is one of many that can be found online but one that we think is broad, challenging and accessible. A copy of all of the listed books can be found in the Resource Centre.

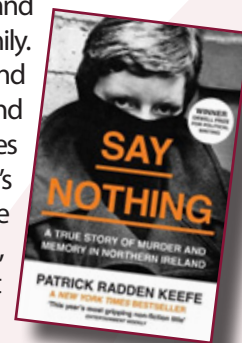

Medical Appointments

Please inform school on behalf of your son/daughter and make every effort to reduce the amount of time out of school for the appointment.

Say Nothing: A True Story of Murder and Memory in Northern Ireland by Patrick Radden Keefe

The Troubles are chronicled through the lens of the abduction of Jean McConville from her home and the devastating effects on her family. Radicalisation, religion, extremism and injustice are revealed in this detailed and gripping account. 'Say Nothing' explores an important aspect in this country's history that all students should be aware of, and with the recent impact of Brexit, a fragile Good Friday peace accord that all generations should be encouraged to safeguard.

York & District Schools Cup Progress

Congratulations to the Y11 boys who made it through to the York & District Schools Cup Final by beating Fulford on penalties in the semi-final last week. The final is on Thursday vs Tadcaster Grammar School. Good luck boys!

The Sixth form team have also made it to the York Schools semi-final vs Harrogate Grammar School, which will be played next Tuesday. Good luck!

Summer PE

A reminder to students that all PE lessons are outside during the summer term (weather permitting). We will be doing athletics, tennis, cricket, rounders and Danish longball. **Students should bring the same kit to every PE lesson this term: AHS shorts, t-shirt and hoodie/reversible, white socks and trainers.**

The summer extra-curricular PE timetable has started and we hope to see as many of you at clubs as we can.

We have exciting interhouse competitions this term, including our AHS Cluedo Orienteering. Our Interhouse competitions finish with our whole school Sports Day on Friday 3 July.

AHS Basketball Success

Basketball success for AHS students at the York Eagles 2026 Basketball Awards

Four AHS students were recognised for the contributions to their teams and club at the York Eagles Basketball Club's annual awards ceremony. These amazing athletes competed for their club in Basketball England's Junior Regional and National League competitions, playing a key role in the 25-26 season and making themselves, their club and their families proud.

- Judah Wilson (Y8) - Players' player for the U14s boys' category
- Morgan Smith (Y10): Coaches' player for the U16s boys' category
- Amelie Hetherton (Y11): Players' player for the U18s women's category
- Alex Dunlop-Gibson (Y10): Young Club Person of the Year recognised for her commitment and contribution to the club.

York Eagles Basketball Club's mission is to develop young people through the sport of basketball. The introduction of female teams is a relatively recent addition to the club and has brought huge success, with the U14s girls winning the North of England Conference unbeaten in 2024 and the U16s girls being the first Eagles team to reach the Quarter Final of the 2026 National Cup (only losing to the eventual winners).

We are actively looking for female players across all age groups and particularly in the U10 to U14s categories, so please help us spread the word! A good starting point is our community sessions, which can be booked here (the first session is free!): <https://york-eagles-basketball-club.classforkids.io/>

If you would like any further information, please contact Emma Hardisty at york eaglesclubsecretary@gmail.com

Huntington Rovers FC

- new U19 team for the 2026/2027 season.

Huntington Rovers is a friendly, community-focused grassroots football club, and we are currently inviting expressions of interest from players who will be eligible for U19 football in the 2026/2027 season.

This is a great opportunity for young people who want to continue playing competitive football alongside sixth form or college study. If you are interested, please contact Kes Webster, Chairman & U16s Coach of Huntington Rovers FC keswebsterhrc@gmail.com.

GCSE PE Practical

Congratulations to the Y11 GCSE PE group for completing their practical moderation this week. Their attitude and commitment to the day was exceptional and they were rewarded with some excellent grades. Thank you to the Sixth Form and Y10 students that helped with the day as well.

WE WANT YOUR BOOTS!

Boot Donation Scheme

As we are coming to the end of the football season, if you have got any football boots at home that are no longer being used and taking up room – then help us to get them back out on the pitch and save them from ending up in landfill! The donation box is in reception, so give them a clean and pop them in the box.

We are thrilled to open this week's personal development section with the outstanding achievement of two of our students who attended the York Speaking Competition. Destiny Husar and Milo Abberton competed against seven other York schools and came in 1st Place.

Speaking in front of people and being able to articulate yourself is a real skill.

Miss Doyle has been working extremely hard with all students who have taken part in a range of different speaking extracurricular opportunities this year. It's wonderful to be able to see all of the hard work paying off. Well done!

In addition to this excellent news we're also pleased to share that we have heard from one of our former students, Macey Haywood. After successfully completing her apprenticeship in hairdressing, Macey has now launched her own business, Hair by Macey, an amazing achievement. Macey still remembers the excitement of getting ready for prom and would love to help any AHS students create their perfect final look for the big night. Congratulations, Macey, your talent and hard work are truly inspiring. We couldn't be more proud!
