Values – Care – Achievement

Friday 1 May 2026

Headteacher's Introduction

Dear Parents and Carers,

Another busy week here at Archbishop Holgate's, lived out through values, care and achievement. The sunshine felt like a little reminder of John 10:10: helping our students flourish and live life to the full.

Our Year 11 students have been undertaking their Art and Textiles exams this week, and I have to say I've been thoroughly impressed with the quality of work on display and the commitment they have shown throughout the process. It's been a real pleasure to hear of our students so engaged with their creative subjects, and the standard of work is a testament to both their dedication and the excellent teaching they receive. As they move through their examination period, I hope they carry this same level of focus and determination into their remaining exams.

In other news, our Year 10 students have embraced their two-hour Study Skills workshops with real enthusiasm. The feedback from both staff and students has been overwhelmingly positive, and it's been encouraging to see such a positive response to this initiative. These workshops are designed to equip students with the tools and strategies they need to approach their learning effectively, and from what we're hearing, they're making a real impact. We're excited to see how this translates into their upcoming mock examinations and beyond.

On a celebratory note, I'd like to highlight the achievements of some of our Year 12 students who participated in their Duke of Edinburgh training expedition last weekend. Despite the challenging conditions, hot days and cold nights, they demonstrated real resilience and determination. The scenery was absolutely amazing, and it was wonderful to see our students rise to the challenge and support one another throughout the experience. I'd like to extend special thanks to Mr Goldsmith, who generously gave up another weekend to support students in this venture. His commitment to our students and their personal development is very much appreciated.

I'd like to remind parents and students to enjoy the bank holiday weekend. It's a well-deserved break for everyone, and I hope you all have a lovely time together. We look forward to welcoming students back on Tuesday, ready for the week ahead.

Closure to Black Bull Gate on a Morning

During the final two weeks of this half term (wc 10 and 17 May) the Black Bull Gate entrance to the school site will be closed on a morning whilst we complete site works. This gate will, however, be open on an evening for students to leave the site. On a morning, all students will be expected to arrive via the main school drive - students will be given further details during tutor time in the coming weeks.

Student conduct when cycling to school

Now that the weather has much improved and more students are opting to cycle to and from school, we would like to remind students of their behaviour when using cycle lanes and public roads, to cycle safely and maintain appropriate conduct.

Food for Thought

This week our Form Tutor Collective Worship is inspired by Socrates' thoughts on Knowledge and Ignorance. We also consider the impact that our schools' Christian Values might have in this area. Our daily quotes are all on the theme of Knowledge.

"If you have knowledge, you have something more valuable than gold or jewels."

The Bible, Proverbs 20: 15

Message from Mrs De Lashley, Assistant Head: Director of Sixth Form

Year 13 Leaver's Celebration

We look forward to welcoming families to the celebration event on Thursday 7 May, 6.00-7.30pm, in the Main School Hall.

Year 12 Iterative Assessment

This is the first of a two week window for our Year 12 students to complete Iterative Assessments in their subjects. This will be the final time before they sit their A Level mock exams on 29 June and their external BTEC assessments commencing in May.

Book Recommendation

A reminder that each week we share a recommendation from the post-16 reading list that we hope our students will engage with. This reading list is one of many that can be found online but one that we think is broad, challenging and accessible. A copy of all of the listed books can be found in the Resource Centre.

Reminder: Year 13 BTEC Stand-down

Students are being signed off on subjects as and when they have completed them. They are expected to still attend that classroom for independent study until A Level stand-down. There will be occasions when a student has completed all or most of their subjects and will be granted some timetabled leave, this will be on an individual basis.

Why Most Things Fail by Paul Ormerod

A lively and at times light-hearted non-fiction look at economics and why some strategies work, and why others don't. Using parallels with science, game theory, systems and logic, Ormerod breathes life into economic theories and practices and with real-life business and corporate examples. It's interesting reading for potential entrepreneurs, PPE students or business school applicants.

York & District Schools Cup Progress

The Y11 boys' football team made it to the York & District Cup final this week after some fantastic performances in the earlier rounds. Despite an amazing effort, they narrowly lost 2-1 to Tadcaster in their final game as a team. Well done to Oscar Dawson for scoring the goal in the final. Thank you to all the students who have represented the school over the last 5 years!

The Sixth form team had a fantastic 6-0 win in the Semi-final of the York & District Schools Cup vs Harrogate Grammar School. Ewan Walton scored four and Aidan Fewlass and Tom Cain both scored one each. The final is next Tuesday against Queen Ethelburgas. Good luck!

Summer PE

A reminder to students that all PE lessons are outside during the summer term (weather permitting). We will be doing athletics, tennis, cricket, rounders and Danish longball. **Students should bring the same kit to every PE lesson this term: AHS shorts, t-shirt and hoodie/reversible, white socks and trainers.**

The summer extra-curricular PE timetable has started and we hope to see as many of you at clubs as we can.

We have exciting interhouse competitions this term, including our AHS Cluedo Orienteering. Our Interhouse competitions finish with our whole school Sports Day on Friday 3 July.

Boot Donation Scheme

As we are coming to the end of the football season, if you have got any football boots at home that are no longer being used and taking up room – then help us to get them back out on the pitch and save them from ending up in landfill! The donation box is in reception, so give them a clean and pop them in the box.

GCSE PE Practical

Y12 students completed their Silver DofE training expedition in the beautiful Yorkshire Dales last weekend. They successfully navigated their way up and down two of the famous Yorkshire 3 Peaks over the course of the weekend.

They can all be very proud of their efforts and they are in a great position to complete their qualifying expedition in June.

Huntington Rovers FC

- new U19 team for the 2026/2027 season.

Huntington Rovers is a friendly, community-focused grassroots football club, and we are currently inviting expressions of interest from players who will be eligible for U19 football in the 2026/2027 season.

This is a great opportunity for young people who want to continue playing competitive football alongside sixth form or college study. If you are interested, please contact Kes Webster, Chairman & U16s Coach of Huntington Rovers FC keswebsterhRFC@gmail.com.

In 2025, 19 students travelled to Uganda with the charity Abaana to take part in volunteer work. The trip was an incredible experience and we are delighted to announce that in 2027, 21 students will be returning to continue the fantastic project they started.

Our goal is to raise £38,000 to build a nursery at Kisoile Primary School in Busia. The images we have shared highlight just how limited the current facilities are and our students are determined to make a real difference.

So far, students have hosted a "Masked Singer" event in school, supported a school talent show, and are now beginning their own individual fundraising activities.

Two students, Matthew and Louis, have already launched an inspiring challenge: to cycle the equivalent distance from Archbishop Holgate's to Kisoile Primary School — an incredible 6,570 miles. They are making the most of every opportunity to get

on their bikes and are tracking their progress using the Strava sports app. Their journey can also be followed online at: Big-Ugandan-Cycle.com. Matthew and Louis are keen to gain as much sponsorship as possible and would greatly appreciate support from the school community, local residents, and beyond.

We are grateful for any support, big or small. Donations can be made via the following link: <https://gofund.me/8223f4c4a>

Headteacher's Breakfast

We look forward to welcoming Year 10 to the Headteachers Breakfast on Friday, congratulations go to:

10AI	Frances Lilley	Thank you for being the form PA. Frances is super helpful, organised, knowledgeable and efficient.
10BDu	Favour Ojo	Favour kindly offers her time as a paired reading mentor, works hard in lessons and is a wonderfully kind and considerate member of our form.
10Be	Mo Araba	For making excellent progress in improving his punctuality and effort in his classes and showing resilience when facing challenges.
10CDe	Jo Sola Farus	For her incredibly articulate speech and for always working hard and spreading kindness while also standing up for what's right. A true credit to AHS!
10CFr	Thomas Allen	Always working hard and always being helpful, kind and reliable in form time.
10Gs	Jennifer Abernathy	Always super helpful in form time and always very polite.
10Hv	Maisie Wreglesworth	Maisie is an excellent paired reading mentor, she works hard in lessons and is a superstar during formtime. Thank you!
10Kx	Zachary Dunne	Outstanding effort in all aspects of Year 10. Clearly well motivated and holding himself to high standards!
10Lp	Rebecca Ulliot	Rebecca is a wonderful Form member - always pleasant, polite, positive and a supportive friend. She regularly makes contributions to our school community through her singing (Minster Carol Service & Easter Service) and she is currently actively preparing for the Duke of Edinburgh award. Well done, Rebecca!
10JDI	Ryan Pang	Persistently giving 100% in all subjects and in every lesson. Ryan holds himself to high standards and works very hard to try to achieve his aspirations. He has shown fantastic resilience this year.
