Values – Care – Achievement

Friday 12 June 2026

Headteacher's Introduction

Dear Parents and Carers,

It's hard to believe we're already two weeks into the final half-term of the academic year. Despite the unpredictable weather, the spirits throughout Archbishop Holgate's have remained high.

Behind the scenes, our staff have been working hard to prepare for our end of Year Awards morning—an event we're thrilled to be bringing back for the second year running. The nomination process has been particularly special, with colleagues recognising the outstanding achievements and contributions of our students across all year groups. This celebration is such a fantastic opportunity to bring year groups together with families present, allowing us to mark their success and honour the conclusion of their year group journey with us at Archbishop Holgate's. There's something meaningful about pausing to acknowledge the progress our students have made and the positive impact they've had on our school community.

Whilst our staff have been busy recognising the achievements of our students, I believe it's equally important that we extend the same courtesy to those who work so hard behind the scenes to support our young people every single day. Our teachers and support staff go above and beyond in their commitment to our students, and it's wonderful to have an opportunity to say thank you. I would therefore like to urge all parents and carers to take a moment to complete the [online link](#) to send a staff member an ecard for 'Thank a Teacher Day'. It's a simple gesture, but one that truly means the world to those who receive it. Whether it's a form tutor, a subject teacher, a teaching assistant, or any member of our team who has made a difference to your child's experience at Archbishop Holgate's, this is your chance to express your appreciation.

As we look ahead to the week, I'd like to extend my very best wishes to our Year 10 students as they embark on their upcoming mock examinations, which commence on Tuesday. These mocks represent an important milestone in their GCSE journey, and I have every confidence that they will approach them with the same dedication and resilience they've demonstrated throughout the year. Best of luck to you all—we're rooting for you.

With best wishes for the week ahead,
Lucie Pond,
Headteacher

Food for Thought

Throughout this final term our Form Tutor Collective Worship explores different themes inspired by the notion of Pilgrimage, with material from the Church of England. This week considers how important a map would be to help you make a plan for your journey. Our daily quotes are on the theme of Being Guided.

"The good life is one inspired by love and guided by knowledge."

Bertrand Russell, 20C British philosopher, mathematician, and historian

PLEASE SHARE: If you would like to share students' achievements and events in the community, please email jsissons@ahs.pmat.academy. It's always nice to celebrate our school community.

Polite Reminder - Visitors to the School

We would like to remind parents and visitors to report to the Main School Reception when arriving on school site and to sign in to notify staff ahead of meetings.

Cabinet Office | Civil Service Careers
BE PART OF WHAT MATTERS

This summer, 10 young people will spend a week finding out what it's actually like to work for the Government. Four days in York. One day in London — seeing what happens in central government. Every travel cost is covered. Every lunch is covered. Nothing to buy, nothing special to wear and nothing to prove before you even walk in the door. - 27-31 July.

The Civil Service isn't one type of job for one type of person. We have communicators, customer service advisors, project managers, policy advisers, IT technicians, security staff — the full range. A range of apprenticeships entry level roles or graduate entry schemes. If you've ever been curious about how decisions actually get made in this country, this is your chance to find out first-hand. Offices are all around the country including York, Leeds, Sheffield, Darlington and Newcastle to name a few.

We're specifically looking for young people from working-class and lower socioeconomic backgrounds. If that's you — this programme was built with you in mind.

Contact carolyn.clarke@cabinetoffice.gov.uk for more information. Applications close at 11.59pm on Sunday 14 June.

MFL Stars of the Week

Students were nominated by Language staff to receive an Effort merit, a postcard home and appear on the 'Stars Wall' for all their hard work:

KS3 French - Skye-Anna McCarthy, 8JSe
KS3 German - Amir Babuchev, 7By
KS3 Spanish - Sophia Watling, 8MFr
KS4 French - Esther Button, 10Be
KS4 German - Joe Burt, 10Gs
KS4 Spanish - Maria Cardoso, 10EPy

Preloved Uniform Donations

We have a new contact for our preloved school uniform shop. Please send any queries to school-uniforms@ahs.pmat.academy. All orders are still made via the Uniformd website which you can find here - <https://app.uniformd.co.uk/items/archbishop-holgates-school>

Please note - These details are for donated uniforms only. New uniforms can be purchased from Keal Teamwear.

Message from the School Nurse Skipping Breakfast?

Skipping breakfast daily can cause immediate side effects like low energy, brain fog, and headaches. Over time, regularly missing this meal may disrupt your circadian rhythm and is linked to a higher risk of increased LDL cholesterol, high blood pressure, and cardiovascular disease.

The impacts depend heavily on your personal routine, lifestyle, and overall diet. Consider how this habit might affect your body:

Energy & Focus: Overnight, your body depletes its liver glycogen (stored energy). Skipping breakfast deprives your brain of the glucose it needs to function at peak efficiency, which can lead to low blood sugar and poor cognitive function in the morning.

Hormones: Without morning fuel, your body may elevate cortisol (the stress hormone) to release stored energy, leaving you feeling jittery or stressed.

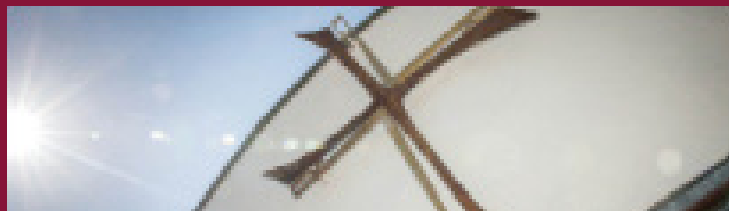

Cardiovascular Risk: Long-term studies associate habitual breakfast-skipping with a higher risk of heart disease, atherosclerosis and elevated "bad" LDL cholesterol.

Metabolism & Weight: Skipping breakfast does not guarantee weight loss. Some people consume fewer daily calories, while others experience slowed metabolism or compensate by overeating highly caloric, sugary snacks later in the day.

For a closer look at the science, you can check out overviews on the 'Healthline Is Skipping Breakfast Bad?' guide or the BBC Good Food analysis. If you are considering daily fasting or dietary changes, it is always best to use tools like the NHS Find a GP directory to consult with a registered dietitian or healthcare provider.

Message from Mrs De Lashley, Assistant Head: Director of Sixth Form

Book Recommendation

A reminder that each week we share a recommendation from the post-16 reading list that we hope our students will engage with. This reading list is one of many that can be found online but one that we think is broad, challenging and accessible. A copy of all of the listed books can be found in the Resource Centre.

Living Better: How I Learned to Survive Depression by Alastair Campbell

A must read for teens before they leave home, start university, or enter the workplace, Living Better explores depression, what causes it, how it affects people, how to live with it, and how to use it. This frank, honest and eye-opening autobiographical account offers hope and encourages readers to talk about their feelings. Through discussion of real-life events, it offers fascinating and useful life skills. Highly recommended.

Year 12 Enrichment Week

Please return the consent slip as soon as you are able for the events below where applicable:

Monday 6 July - Post-18 Progression Planning
Tuesday 7 July - Post-18 Progression Planning inc. EPQ Launch and UCAS Parent Evening
Wednesday 8 July - PSHCE Day
Thursday 9 July - RE Enrichment
Friday 10 July - Year 12 Sports Day

Year 12 Progression Meetings - August 2026

Please check the appointment you have been issued and contact Ms Landy asap if you are unable to attend. Your son/daughter must have a progression meeting before they return to school in September.

AHS Super Summer Project

Mrs Dugdale has been into KS3 Acts of Collective Worship this week to launch the new and exciting 'AHS Super Summer Project'.

This is a fantastic new initiative to engage students in their favourite subject / topic / area of interest over the summer holidays.

What is it? The Super Summer Project is a competition, aimed at students in Years 7-10 and focused on the theme of TIME. Students can either choose from one of over sixty project ideas provided by us, or choose their own (as long as it links to the theme).

Students will complete the project over the holidays and submit when they come back to school in September. The project ideas cover all subject areas, and require a range of resources (from just paper and pen, to food ingredients and the use of the kitchen!).

Every student who enters will receive a project accolade badge and certificate, with 1 entry from each subject receiving a prize worth £20. There will be crowned one overall winner who will receive an incredible prize worth £50.

More information will be posted on year group Google Classrooms, so please keep a close eye out and good luck!

Natalie Bowler	For your excellent work this year as a student leader. Your resilience has been inspiring
Carine Ko	All of your amazing work this year contributes to the wider success of the school.

AHS Personal Development Hub and Merit Mart

At the Personal Development Hub, students are able to collect information about everyday life, extracurricular activities, trips and visits and careers. There will also be a number of opportunities for students to take part in 'Pupil Voice' to give feedback on a number of 'hot topics' based on the school community.

The Merit Mart is our students' happy place, where they can enquire about their merits and spend them on various items in the shop. Items include:

- Stationary
- Key Rings
- Board Games
- Books
- Water Bottles
- Vouchers
- Enter termly raffles

Students will be able to access the Personal Development Hub in line with the Merit Mart opening times, Tuesday, Wednesday and Friday, 1.30-2.00pm.

Swim a Marathon!

Our first school swimming fundraiser took place last Friday to support AHS charities. Students swam over 500 lengths in the session which together with the other sessions will add up to a marathon while raising sponsorships, with a minimum £5 target. Funds will support WWF, Cancer Research UK and Carecent equally. The top fundraiser wins a prize! Those taking part this Friday need to change quickly at 3.15pm and make sure that they remember their sponsor money.

York and District Athletics Championships Semi Final

After an exciting first round event last week at Fulford, we had those students that qualified from Year 7 & 8 join our Year 9 & 10 athletes at the Semi Final of the York and District Athletics championships at York University track this Wednesday. Despite having all four seasons of weather during the event, we had some amazing success. Our students were an absolute credit to themselves and the school during the whole event. Many thanks to Mr Goldsmith, Mrs Smith and Mr Oliver for taking the students to the event. For all those that qualified, the final will take place at 1.30pm on Tues 23rd June at the York University track.

Football Success

Congratulations to Brooke Farrell, 9ERo, who won the York and District FA Cup final at York LNER stadium with her U14 Wigginton Team recently. This is a fantastic achievement and was an inspiring match to watch. Well done, Brooke.

Summer PE

A reminder to students that all PE lessons are outside during the summer term (weather permitting). We will be doing athletics, tennis, cricket, rounders and Danish longball. **Students should bring the same kit to every PE lesson this term: AHS shorts, t-shirt and hoodie/reversible, white socks and trainers.**

Running Success

On Saturday 23 May, Brodie Barrow in 10Be, did the 5km for the Millie Wright Charity in Poppleton, she did it in 22 minutes, was first girl/woman to finish and 4th overall. Well done, Brodie.

Jewellery in PE lessons

A reminder that students should not wear any jewellery for PE. In-line with AfPE guidance, we remind students (via lessons and the newsletter) that they will be asked to remove ALL jewellery for PE lessons. This is a health and safety precaution and must be adhered to for the safety of your child and their classmates. If your child has just had their piercing done, they need to bring a note to state when they had them done and when they can be removed (usually 6 weeks). Until then you should provide tape/plasters to fully cover the piercing in the short term, however, they may not be able to take part in certain activities until the piercing is fully removed due to health and safety. Please remember that, in line with the school policy, only a single pair of plain studs and a nose stud are allowed in school and all should be removed for PE. Any cartilage piercings have to be removed for PE, so please ensure that your child is able to remove it by themselves.
